

CLINICALLY PROVEN

The BergaMet Ultimate Sport platform combines the demonstrated active performance and recovery benefits of BergaMet Sport with the memory, cognitive function and cardiovascular support of BergaMet Ultimate Memory. In addition, this unique product combination provides neuro-protective support derived from the use of its base ingredients in Department of Defense clinical studies. The overall result is a credible, naturally sourced supplement for active lifestyles that provides support for performance neuro-defense, cognitive function and cardio-metabolic function. ^

CAUTION: Do not take during pregnancy or when lactating. Supplements should not replace a balanced diet.
