

Since 1972

Immune System Support

Nature's Sunshine **Zinc Lozenge** provides essential nutritional support for proper Immune System function. The lozenges contain a special combination of zinc and vitamin C. For that moment when you want a lozenge, take along the easy-to-carry, refillable (chewable/lozenge) tube.

NSP (Chewable/Lozenge) Tablets Refill Tube
Stock No. 2689-3 can be purchased separately.

RECOMMENDATION

Take one lozenge each hour or as needed. Allow lozenge to dissolve slowly in mouth. Do not use more than six lozenges daily.

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*

This bottle was sealed for your protection. Do not use if inner seal is missing or damaged. Nature's Sunshine uses natural source materials in its products that are subject to color variation.
