

POWERFUL ENERGY & SENSORY EFFECTS

The leading brand that's thrived for the past 20 years brings a never-before-seen formula powered by a scientifically researched ingredient (*C. canephora robusta*) to help you lose weight.¹ This formula also contains other ingredients to provide an extreme energy and sensory experience you can feel.⁴

ALPHA LIPIC ACID

Alpha lipoic acid (ALA) aids in the metabolism of the three macronutrients: carbohydrates, fats and proteins.⁴

C. CANEPHORA ROBUSTA

Formulated with a scientifically researched dose for significant weight loss results.^{1,4}

CAFFEINE ANHYDROUS

²Caffeine anhydrous triggers thermogenesis, boosts metabolism, provides an added surge of clean energy and can also enhance focus.⁴

YOHIMBE

Derived from the bark of a West African evergreen tree and globally sought-after for its sensory properties.

BLACK CARAWAY

Used as far back as ancient Egyptian times, this tiny black seed is still a worldwide staple today.

PURLANE

This thick, leafy green, succulent plant is native to India and often an ingredient in various herbal drinks.

CHICORY

An herbaceous plant that is used as the main source of inulin – a group of naturally occurring polysaccharides.

MAITAKE MUSHROOM

A unique mushroom that contains beta-glucans with a long-standing history of traditional use.

DIRECTIONS: To assess individual tolerance, refer to the chart. Take 1 serving (2 liquid capsules) twice daily, 30 to 60 minutes before your 2 main meals (e.g., breakfast and lunch). Do not exceed 4 capsules in a 24-hour period. For best results, use for 60 days in combination with diet and exercise. Always read the entire label before use and follow the directions provided.

Day 1 to Day 3..... Take 1 capsule, twice a day

Day 4 & Beyond..... Take 2 capsules, twice a day

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Consult a medical doctor before use if you have been treated for, diagnosed with, or have a family history of any medical condition, or if you are using any prescription or over-the-counter drugs. One serving (2 liquid capsules) of this product contains up to as much caffeine as 2.5 cups of coffee. Caffeine sensitive individuals may experience symptoms including (but not limited to) restlessness, nervousness, tremors, headache, anxiety, palpitations, increased heart rate and difficulty sleeping. If you experience a rash or any other allergic reaction, discontinue use and consult a medical doctor. Do not combine with other sources of caffeine or stimulants. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. **KEEP OUT OF REACH OF CHILDREN.**
