

Clinically Proven Max-Potency Creatine HCl Formula

Creator™ is a scientifically advanced creatine formula that delivers a powerful micro-dose of creatine. Each serving delivers 750mg of 100% ultra-pure, laboratory-tested creatine hydrochloride (creatine HCl) plus 750mg of free-acid creatine – the purest form of creatine, free of acids and salts. This powerful, never-before-seen ratio of creatine molecules delivers an enhanced product. In fact, the amount of creatine in just two micro-sized daily servings of Creator™ is scientifically proven to deliver real results.*

Amplified ATP Synthesis

Creator™ rapidly enhances your muscle cells' ability to regenerate adenosine triphosphate (ATP), its primary source of anaerobic energy, so you can recover faster between sets.*

Enhanced Size, Strength & Recovery

Creator™ will jack up your muscle strength, increase your performance and enhance your muscle size with just two super-concentrated scoops a day.*

Zero Fillers or Sugar

Creator™ delivers high-quality, 100% ultra-pure creatine HCl and free-acid creatine with absolutely zero fillers, carbs, sugar or fat! It's everything you want and nothing you don't! Plus, with Creator™, there's no need to load or cycle it, and it won't cause any stomach bloating! Try it today!*
