

EXPLOSIVE PRE-WORKOUT NEUROSENSORY EXPERIENCE[▲]

MuscleTech[®] researchers have reinvented the pre-workout category again. VaporX5[™] Next Gen is the most powerful 5-in-1 pre-workout product available. Each two-scoop serving delivers unparalleled energy, extreme muscle pumps, a surreal sensory experience, enhanced strength and performance, plus scientifically validated musclebuilding power! It's everything you could possibly want in a pre-workout and nothing you don't – zero unnecessary key ingredients, sugar or fillers. VaporX5[™] Next Gen delivers uncompromising potency and power for the best workouts of your life![▲]

ULTIMATE NEUROSENSORY EXPERIENCE

VaporX5[™] Next Gen combines a unique and powerful blend of sensory ingredients with a potent dose of a precise caffeine molecule for the ultimate pre-workout experience and a sensory overload you won't find anywhere else.[▲]

EXPLOSIVE ENERGY & FOCUS

VaporX5[™] Next Gen has everything you want to get amped up for a killer workout. A precisely dosed neurotransmitter precursor is combined with a potent amount of caffeine that will fire up your energy, help power you through your hardest training sessions and enhance your focus.[▲]

SCIENTIFICALLY VALIDATED MUSCLEBUILDING POWER

VaporX5[™] Next Gen features powerful musclebuilding ingredients betaine and creatine in scientifically validated doses actually shown to build more muscle.[▲]

BETTER PERFORMANCE & ENDURANCE

To enhance strength for better performance in the gym, MuscleTech[®] researchers included a research-inspired dose of beta-alanine. Plus, the precise dose of taurine found in two scoops has been shown in scientific research to boost performance in endurance athletes.[▲]

AMPLIFIES NITRIC OXIDE FOR INTENSE MUSCLE PUMPS

For shirt-splitting pumps, VaporX5[™] Next Gen delivers a blend of Nitrosigine[®] and hawthorn berry engineered to increase plasma nitric oxide levels, which promotes improved vasodilation. This all leads to an unbelievably powerful pump![▲]

DISCLAIMER: Please read the entire directions before consuming and follow the intended intended product. Always use common sense by using 1 scoop (1 scoop with 8 oz. of cold water) and consuming it about 15 minutes before your daily workout. Once tolerance has been assessed, increase the dosage to 2 scoops mixed with 16 oz. of water before working out. Do not exceed 2 scoops in a 24-hour period. Monitor for adverse side effects during use.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Do not use if you have had a myocardial infarction (heart attack). Exercise may amplify the inflammatory stress response in people with asthma. The serving of this product contains a low level of caffeine (2 mg of caffeine). Caffeine-sensitive individuals may experience symptoms including but not limited to: palpitations, nervousness, jitteriness, easily increased heart rate or difficulty sleeping. Do not combine with other sources of caffeine or stimulants. Some individuals may experience a stomach ache or headache from the concentrated performance dose of beta-alanine. Consult a medical professional if you have a medical condition or a history of heart disease or hypertension. Do not use if heavily sedated or under the influence of alcohol.

COMES WITH FUNNEL SCOOP

IDEAL FOR ON THE GO

Do not use if packaging has been tampered with. Store in a cool, dry place (50°F to 80°F).
