product info

Read the entire label and follow the directions carefully prior to use.
DIRECTIONS: Mix one (1) scoop in approximately 4 to 8 ounces of water or beverage of choice (to taste) daily, or as recommended by a healthcare practitioner.

This product contains whey protein isolate from cows not treated with growth hormone (rBST). The whey protein isolate is made using a process known as Cross Flow Microfiltration, which produces an isolate that is 90% protein, 98% of it in the bioavailable undenatured form, and retains all important subfractions in their natural ratios.

Notice: Use this product as a food supplement only.
Do not use for weight reduction.*

WARNINGS:

- KEEP OUT OF REACH OF CHILDREN.
- DO NOT EXCEED RECOMMENDED DOSE.
- Do not purchase if outer seal is broken or damaged.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
