

## REVOLUTIONARY TESTOSTERONE STIMULATOR

For over 20 years, the MuscleTech® brand has been synonymous with quality supplements that deliver real results. MuscleTech® researchers have done it again with a formula that delivers optimal doses of boron citrate, zinc gluconate and Sensoril® ashwagandha (*Withania somnifera*) to create a premium testosterone booster.▲

TEST HD® SUPER ELITE delivers a clinically studied dose of boron shown to increase free testosterone and zinc gluconate to promote testosterone production within the normal healthy range. This enhanced formula also features a scientific dose of Sensoril® ashwagandha (*Withania somnifera*), which has been shown to reduce cortisol – a catabolic hormone that can limit muscle size and strength. TEST HD® SUPER ELITE goes to work fast within your body to promote testosterone production. This powerful formula also includes a never-before-seen combination of exotic ingredients with long-standing traditional use by men all over the world, including amla (*Emblica officinalis*).▲

### SMART RELEASE MICROBEAD TECHNOLOGY™

Each advanced serving of TEST HD® SUPER ELITE is delivered in a novel and cutting-edge delivery system. The Smart Release Microbead Technology™ utilizes revolutionary advancements in microbead science to encapsulate active ingredients while suspending these microbeads in a rapid-dispersing liquid compound.

Not intended to treat low testosterone or sexual dysfunction.
