Other Ingredients: Maltodextrin, Silicon Dioxide, Sucralose, Acesulfame-K.

Allergen Warning: This product was produced in a facility that may have also processed ingredients containing milk, soy, eggs, soybeans, shellfish, fish and/or nuts.

Visit www.axislabs.com for more on our entire line of nutritional supplements.

Directions: Store in a cool, dry place. As a dietary supplement, mix one (1) scoop with eight (8) ounces of water and consume thirty (30) to sixty (60) minutes before your workout. To preserve your NOS levels, we recommend not taking HemodrauliX® more than four (4) to five (5) times a week.

Add to Your Preworkout: HemodrauliX® can be mixed with your favorite preworkout product for a huge nitric oxide kick.

WARNING: KEEP OUT OF REACH OF CHILDREN. This product is not intended for anyone under the age of 18, pregnant or nursing. Consult your physician before using this or any dietary supplement. Do not take this product if you have any medical condition and/or are taking any prescription medication(s). Do not use if you have, or are at risk of, a myocardial infarction (heart attack), diabetes, asthma, high blood pressure, high cholesterol, arthritis, heart disease, stroke, or suffering from any inflammatory diseases. Discontinue use if experiencing any adverse side effects.
