

THORNE®

LipoCardia®

DIETARY SUPPLEMENT

60 SINGLE-SERVING
DOUBLE PACKETS

TC505
CTNTC50507

Heart/Vessels†

LipoCardia® can help maintain already normal lipid levels (LDL, LDL-P, LDL size, HDL, HDL-P, HDL size, HDL function, and triglycerides) by addressing multiple mechanisms of action associated with cholesterol and triglyceride metabolism.‡

Co-developed by Mark Houston, MD, of the Hypertension Institute, and Thorne, and backed by clinical research, LipoCardia can be used with diet and lifestyle recommendations or as an add-on to other heart and blood vessel support products.‡

SUGGESTED USE: Take 1 double packet two times daily or as recommended by your health-care practitioner.

TAMPER EVIDENT: Use only if box is sealed. Store in a cool, dry place.

WARNING: If pregnant, nursing, or trying to conceive, do not use this product.

BACKED BY CLINICAL RESEARCH

LipoCardia supports 38 mechanisms that promote cardiovascular health and provides a comprehensive solution for support of healthy lipid levels.‡

CURCUMIN PHYTOSOME flavonoid derived from turmeric bound to phospholipids	Helps maintain healthy blood vessel walls‡
RED YEAST RICE Red yeast grown on rice	Helps maintain already normal LDL-cholesterol levels‡
QUERCETIN PHYTOSOME flavonoid found in many plants bound to phospholipids	Promotes healthy blood vessels‡
LYCOPENE Carotene found in tomatoes	Necessary for energy production in all cells; promotes healthy heart function‡
GREEN TEA PHYTOSOME Extract from green tea leaves bound to phospholipids	Helps maintain already normal cholesterol levels; promotes healthy blood flow‡
N-ACETYL-L-CYSTEINE Important nutrient made in the body from the amino acid L-cysteine	Helps maintain already normal total- and LDL-cholesterol levels and is protective of the liver‡
LICORICE EXTRACT Root with glycyrrhizin removed = DGL	Enhances bile acid secretion‡
RESVERATROL Compound found in red wine	Promotes healthy aging‡
BERBERINE Constituent from Indian barberry & other plants	Helps maintain already normal total- and LDL-cholesterol and triglyceride levels‡
ALLIUM SATIVUM Aged garlic extract	Helps maintain already normal total-, LDL-, and HDL-cholesterol and triglyceride levels; is protective of the liver‡
PHYTOSTEROLS Compounds found in all plants	Helps prevent the absorption of cholesterol from the diet to maintain already normal cholesterol levels‡
