Award-Winning Taste You Will Love

The American Masters of Taste, a prestigious panel of chefs and flavor experts, awarded Six Star® Creatine³™ the Gold Medal for Superior Taste against all other value brands in America. Trust Six Star® Creatine³™ for optimum performance and award-winning taste you'll love.

Test Subjects Built 4x More Lean Muscle

In a 12-week study conducted at an American university with 22 untrained test subjects divided into three groups, subjects taking the creatine in Six Star® Creatine³™ with a training program gained over four times more muscle than subjects using a placebo (0.12 vs. 1.30 lbs.)

Test Subjects Gained 18.6% More Strength

In a 10-day study conducted at a leading American university on 21 weight-trained test subjects randomly assigned to one of three groups, subjects consuming the same form of creatine found in Six Star® Creatine³™ with a training program increased their strength capacity on the bench press by 18.6% compared to baseline (6,658 vs. 5,513 joules). Testing was performed using 70% of the subjects' 1-rep max bench press.

FOR BEST RESULTS, STACK WITH:

Pre- & Post-Workout, Between Meals
Advanced whey protein formula designed to help build muscle and strength.*

Made in the U.S.A. from international ingredients. Protected by U.S. patent #6,326,513. Distributed by Levitate Health Sciences U.S.A. Inc. 1105 North Market Street, Suite 1300, Wilmington, DE 19801. © 2017. For lot no. and expiry date: see bottle.

How to Take Creatine³™

STIR
Simply stir in a glass of water.

OR
SHAKE
Cover and shake until well mixed.

Directions: Take 1 serving (1 scoop) immediately after you work out with 8 oz. of cold water. If you are not working out that day, have your serving in the morning when you wake up. As with all creatine products, maintain an adequate state of hydration during use. Read the entire label before use and follow directions provided.

Note: To maintain product freshness, store in a cool, dry place (60°F to 80°F). This product is sold by weight. Some settling may occur. Shake container before use.

Do not use if packaging has been tampered with.

WARNING: Not intended for use by persons under 18. Do not use if you have had a myocardial infarction (heart attack). Inhalation may amplify the inflammatory airway response in persons with asthma. Do not use if pregnant or nursing. Consult a medical doctor if you have a medical condition or before starting any diet or exercise program. **KEEP OUT OF REACH OF CHILDREN.**
