The Ultimate Muscle-Amplifying Protein

NITRO-TECH® POWER is the latest musclebuilding innovation from MuscleTech®, the brand with over 20 years of excellence. NITRO-TECH® POWER contains several key ingredients shown in multiple clinical studies to help you pack on more muscle than ever. See the research for yourself!▲

Scientifically Superior Musclebuilding Protein

[1]To create the ultimate musclebuilding protein, MuscleTech® researchers started by packing a researched dose of 6g of creatine into every 2 scoops of NITRO-TECH® POWER.
In a double-blind, placebo-controlled study, subjects supplementing with this same dose of creatine gained 11 lbs. of mass in 12 weeks (versus 7.5 lbs. for the placebo group).▲

Willoughby and Rosene. 2001. *Medicine & Science in Sports and Exercise*. 33(10):1674-81.

NITRO-TECH® POWER also contains a scientifically validated 2.5g dose of betaine (per 2 scoops), which has been shown in multiple studies to increase strength and lean muscle. In a gold-standard study, subjects gained 3.75 lbs. of muscle in 6 weeks (vs. 0.66 lbs. for the placebo) – an incredible 5 times the muscle!▲

Chaiwes et al., 2013. *Journal of the International Society of Sports Nutrition*. 10(1):39.
Hoffman et al., 2009. *Journal of the International Society of Sports Nutrition*. 6:7.

Increased Muscle Strength and Amplified Recovery

[2]This super-engineered formula is loaded with 14.8g of BCAAs, including 8g of highly anabolic leucine (in 2 scoops), and is sure to ignite protein synthesis and put your body in a prime anabolic state. The amount of leucine found in just one scoop of NITRO-TECH® POWER has been scientifically shown to increase strength by over 40%![▲]

Ispoglou et al., 2017. *International Journal of Sports Physiology and Performance*. 6(1):38-56.

[3]What's more, this complete formula also features the 480mg dose (per 2 scoops) of tart cherry powder that has been shown in emerging research to improve recovery through the reduction of muscle soreness post-exercise.▲

Connolly et al., 2006. *British Journal of Sports Medicine*. 40:679-683.

Enhanced ATP Regeneration and Free Testosterone Support

[4]NITRO-TECH® POWER delivers a potent dose of creatine, which research has shown can help your body regenerate ATP energy stores depleted during resistance training.▲

Buford et al., 2007. *Journal of the International Society of Sports Nutrition*. 4:6.

[5]MuscleTech® researchers also included the scientifically studied 200mg dose of boron citrate (per 2 scoops), supplying a dose of boron that has been shown to decrease estradiol and increase free testosterone within the normal range in only 7 days.▲

Naghii et al., 2011. *Journal of Trace Elements in Medicine and Biology*. 25:54-58.

NITRO-TECH® POWER is Superior to the Competition

Product	Protein	Total BCAAs	Leucine

Other Ingredients: Multi-Phase Protein+ Blend (Whey Peptides, Whey Protein Isolate 97%, Whey Protein Isolate, Medium Chain Triglycerides), Natural and Artificial Flavors, Gum Blend (Cellulose Gum, Xanthan Gum, Carrageenan), Salt, Silicon Dioxide, Sucralose, Acesulfame-Potassium, Soy or Sunflower Lecithin. **Contains milk and soy ingredients. Processed in a facility that processes wheat, egg, tree nut, peanut, fish and shellfish ingredients.**

Directions: Mix 1 serving (1 scoop) with 8 oz. of water daily. For full effects, mix 2 servings (2 scoops) with 16 oz. of water. Maintain an adequate state of hydration during use.

Note: This product is sold by weight. Some settling may occur. Shake container before use.

Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F).

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Consult a medical doctor before starting any diet or exercise program, or if you have a medical condition. **KEEP OUT OF REACH OF CHILDREN.**

▲These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not intended to treat low testosterone or sexual dysfunction.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

 Distributed by Iovate Health Sciences U.S.A. Inc. 1105 North Market Street, Suite 1300, Wilmington, DE 19801. Made in the U.S.A. from domestic and international ingredients. For lot no. and expiry date: see bottle.
