

**isura™****NON-GMO • MASS SPEC**

Documentation ✓ Lab Tested ✓

Suggested usage: 1 softgel 1–2 times per day or as directed by a health professional.**Cautions:** As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

Pantothenic acid (vitamin B5) is an essential nutrient used in the synthesis of coenzyme A (CoA), a cofactor in many metabolic pathways. CoA is important for carbohydrate, lipid, protein, and energy metabolism. Pantethine is the coenzyme form of vitamin B5. Taking Pantethine allows for greater absorption and bioavailability than non-coenzyme forms. Pantethine helps support healthy serum lipid levels and is important for healthy cardiovascular function through its antioxidant activity.* Natural Factors uses branded Pantestin®, a high-quality pharmaceutical-grade form of pantethine.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, egg, fish, shellfish, salt, tree nuts, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
