

PURE FOOD NUTRIENT-RICH SOFTGELS 100% MADE, PACKAGED, AND TESTED IN USA AND CANADA

Suggested usage: 1 softgel per day or as directed by a health professional.
Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children. Omega-3 fatty acids, including DHA and EPA, support cognitive health and brain function, as well as cardiovascular health.*

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, yeast, soy, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Documentation ✓ Lab Tested ✓

At Natural Factors state of the art laboratories, we use "mass spectrometry" to test for over 400 substances. Mass spectrometry can test at the molecular – even atomic – level, detecting environmental pollutants such as pesticides, herbicides, and fungicides, as well as heavy metals and other undesirable substances.

Suggested usage: 1 softgel per day or as directed by a health professional. **Cautions:** As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. ** Daily Value not established.
Other ingredients: Vegetarian softgel (non-GMO modified corn starch, glycerin, carrageenan, purified water), non-GMO high oleic sunflower oil, rosemary extract, natural non-GMO mixed tocopherols, non-GMO ascorbyl palmitate.

Fish-free Omega-3s
Most people think that fish are the original source of the omega-3 fatty acids EPA and DHA, but it's actually the algae they consume that contain these important omega-3s. Marine Algae-3 is a sustainable plant source of EPA and DHA. Extracted from specially selected microalgae that naturally produce pure EPA and DHA, this fish-free oil has no fishy smell or aftertaste. Marine Algae-3 is an excellent vegetarian and vegan alternative to fish oil.

- Fish-free source of omega 3, so no fishy aftertaste or fish burps associated with many fish oils
- Source of the same EPA and DHA fatty acids found in fish oil that are vital nutrients for healthy heart and brain function*
- Suitable for vegetarians and vegans

Must leave this area for lot & expiry stamping. Placement is dependant on machine during packaging. Leave 2 areas for safety.
