

PURE FOOD NUTRIENT-RICH CAPSULES 100% MADE, PACKAGED, AND TESTED IN USA AND CANADA

Suggested usage: 1 capsule per day or as directed by a health professional.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

Our natural vitamin D3 is the bioactive form of vitamin D and is necessary for the efficient utilization of calcium, in turn helping to form and maintain strong bones and a healthy immune system.*

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, yeast, soy, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

The wonderful world of lichens

Sourced from wild harvested lichen, the plant-based vitamin D in this formula is in the natural form (cholecalciferol) and is better absorbed and utilized by the body. The lichen vitamin D3 is harvested and extracted in a sustainable manner and carefully processed to ensure optimum purity and stability. Lichens are small, unique composite organisms formed by a symbiotic and closely interacting relationship between fungi and algae. This gives them unique attributes such as surviving in extreme climates and having the ability to grow and accumulate meaningful levels of useful nutrients, including vitamin D3. To look at, lichens are like moss or small plants and can be found all over the world including extreme environments such as the Arctic and deserts.

\$2 from the purchase of each bottle goes to... **plant a seed & see what grows FOUNDATION**
