

Biotin 5000

Biotin is an essential coenzyme for a variety of carboxylation reactions, and is involved in the metabolism of fats, sugars and amino acids.* Gluten Free!

Suggested Use

As a dietary supplement, 1 capsule one or two times daily with meals, or as directed by a healthcare practitioner.

Caution: Discontinue use for 15 days before any lab test that uses (strept)avidin-biotin technology. Candidates include thyroid, cardiac, fertility, hormonal, bone metabolism, and other tests. Raised blood levels of biotin may interfere with results.

Keep in a cool, dry place, tightly capped.
