IgY Max™ is a trademark of IgY Nutrition™, LLC and is used under license. ResistAid™ is a trademark of Lonza Group Ltd., Basel, Switzerland

Immune Defense provides arabinogalactans, anti-viral sulfated polysaccharides, beta glucans and HyperImmune egg, a unique new ingredient that delivers 26 human-specific antibodies, inhibits microbial adhesion, fosters growth of healthy bacteria, and reduces inflammatory cytokines.[†]

Directions As a dietary supplement, take from two (2) to eight (8) vegetable capsules in divided dosages each day, or as directed by a health professional. If you are pregnant, planning to become pregnant, breast feeding, taking any prescription medication, or have a medical condition, consult your physician or healthcare professional before taking this product. Do not exceed recommended dosage. Keep out of reach of children. Store in a cool dry place.
