

DIRECTIONS: Shake well. Sediment is normal. May be given slowly towards the inner cheek using the dispenser provided or mixed with food or drink. Wash and dry dispenser thoroughly after each use.
DISCARD FOUR WEEKS AFTER OPENING. REFRIGERATE AFTER OPENING.
SUGGESTED USE:
For infants & babies 2 months & older: 1 ml daily from included syringe

WARNINGS: Keep this and all supplements out of the reach of children. Do not exceed dosage. Do not give to child if they are allergic to any of the ingredients. Since infants and children have immature immune systems a possibility exists that a rare allergic reaction may occur. Always consult your health care provider prior to giving this or any supplement to an infant.

MULTIVITAMIN DROPS

V050818

wellements®

We are parents too! That's why we've created safe, high-quality products that are consistent with our belief that ingredients really do matter. The best part is, we use organic ingredients whenever possible, and leave out all of the unnecessary preservatives, dyes, chemicals and additives. You can rest easy knowing we've done the worrying for you because we know good products don't need bad ingredients.

NO GLUTEN, DAIRY OR SOY
DYES, PARABENS OR ALCOHOL
ARTIFICIAL COLORS OR FLAVORS
UNNECESSARY PRESERVATIVES

Wellements Organic Multivitamin Drops
provide essential vitamins for healthy growth and bone development.* Our vitamins, including A, B, C, D and E, are carefully extracted from organic fruits and botanicals.

We are proud to say our product requires refrigeration after opening because it is free from unnecessary preservatives – just the way nature designed and the way it should be for your little one!

REFRIGERATE AFTER OPENING
