

DIRECTIONS: SHAKE WELL BEFORE EACH USE.
Fill dispenser to 1ml line. Dispense liquid slowly
towards inner cheek of child's mouth. Wash and
dry dispenser thoroughly after each use. This
product may cause temporary discoloration in
your little one's mouth.

**DISCARD FOUR WEEKS AFTER OPENING.
REFRIGERATE AFTER OPENING.**
SUGGESTED USE:
Babies 0-4 months of age: Consult a physician
before use. Infants 4 months & older: 1 ml daily

WARNING: Accidental overdose of
iron-containing products is a leading cause
of fatal poisoning in children under 6. Keep
this product out of reach of children. In case
of accidental overdose, call a doctor or
poison control center immediately.

Do not exceed dosage. Always consult
your health care provider prior to giving
this or any supplement to an infant.

TAMPER EVIDENT: Do not use if the
safety seal is broken or missing.

wellements®

We are parents too! That's why we've
created safe, high-quality products that
are consistent with our belief that
ingredients really do matter. The best
part is, we use organic ingredients
whenever possible, and leave out all of
the unnecessary preservatives, dyes,
chemicals and additives. You can rest
easy knowing we've done the worrying
for you because we know good products
don't need bad ingredients.

NO

GLUTEN, DAIRY OR SOY
DYES, PARABENS OR ALCOHOL
ARTIFICIAL COLORS OR FLAVORS
UNNECESSARY PRESERVATIVES

Wellements Organic Iron Drops help
provide the supplementary iron
recommended for infants and toddlers.

We are proud to say our product
requires refrigeration after opening
because it is free from unnecessary
preservatives — just the way nature
designed and the way it should be
for your little one!
