APPETITE SUPPRESSION** ENERGY BOOSTER** METABOLIC STIMULATOR**

DEXYFEN™ is a top-shelf, Pro-Thermogenic, Fat Modulating capsule that is formulated to help suppress appetite, burn fat, and maximize energy.* The compounds in each single-capsule serving are specifically dosed, with analytical precision, to provide a metabolic pace unlike any other.*

DEXYFEN™ is a weight modulating masterpiece.*

Warnings: Not intended for use by persons under age 18. Do not exceed recommended dose. Do not take for more than 8 consecutive weeks. This product should not be taken by pregnant or lactating women. Not intended for use by those with a medical condition. Get the consent of a licensed physician before using this product, especially if you are taking medication, have a medical condition, or thinking about becoming pregnant. **Keep this product and all supplements out of the reach of children.**

Caffeine Warning: The recommended serving of this product contains approximately as much caffeine as three cups of coffee. Do not consume caffeine or synephrine from other sources, including but not limited to coffee, tea, soda and other dietary supplements or medications containing phenylephrine or caffeine. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally rapid heartbeat. Discontinue use if you experience dizziness, severe headache, rapid heartbeat or shortness of breath.
