

BifidoBiotics with LactoSpore®

Provides friendly bacteria from the bifidobacteria group, the most common probiotics found in the large intestine. Lyophilized (freeze-dried). **Dairy-Free.**

Suggested Use

As a dietary supplement, 1 capsule two or three times daily, or as directed by a healthcare practitioner.

To maintain potency, store tightly closed and refrigerated. Short term heat exposure is acceptable.

LactoSpore® is a registered trademark of Sabinsa Corporation.
