

POST-WORKOUT

Suggested Use: Mix 2 scoops of powder with 12-16 oz of water or beverage of choice* and drink during cool down or immediately following workout. Best mixed in a shaker cup or bottle. May also be used as an everyday protein supplement or between meal snack by mixing 1 scoop with 8-12 oz of water or beverage of choice*.

*When mixing with favorite beverage of choice, take note of calorie, protein and carbohydrate content.

If you have a medical condition, are pregnant, lactating or taking medication, consult your health care professional before using this or any other nutritional supplement.

Store in a cool, dry place.

Suitable for vegetarian diets.

Caution: Keep out of reach of children.
