VITAMIN D DROPS

V041018

wellelements®

We are parents too! That's why we've created safe, high-quality products that are consistent with our belief that ingredients really do matter. The best part is, we use organic ingredients whenever possible, and leave out all of the unnecessary preservatives, dyes, chemicals and additives. You can rest easy knowing we've done the worrying for you because we know good products don't need bad ingredients.

Wellements Organic Vitamin D Drops promote healthy growth and bone development.* One serving provides the recommended dose of Vitamin D for breastfed babies by the American Academy of Pediatrics.

NO GLUTEN, DAIRY OR SOY DYES, PARABENS OR ALCOHOL ARTIFICIAL COLORS OR FLAVORS UNNECESSARY PRESERVATIVES

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Certified organic by Organic Certifiers US-ORG043

Store in a Dry Cool Place

DIRECTIONS: Tip bottle upside down 2-3 times before removing cap. Place one drop onto nipple or pacifier, or mix with milk, juice or food. Do not exceed dosage.

SUGGESTED USE:
For all ages: 1 drop daily

WARNINGS: Keep this and all supplements out of the reach of children. Do not exceed dosage. Do not give to child if they are allergic to any of the ingredients. Since infants and children have immature immune systems a possibility exists that a rare allergic reaction may occur. Always consult your health care provider prior to giving this or any supplement to an infant.

TAMPER EVIDENT: Do not use if the safety seal is broken or missing.
