

Discover the *force* of the Whole™

Green & White Tea *Force*™ delivers a full-spectrum Green & White Tea extract that supports healthy aging, longevity, vitality, cardiovascular health and cellular protection.* The full spectrum of beneficial compounds found in Green & White Tea *Force* is delivered using a whole-food approach to herbal supplementation. Green & White Tea is also a powerful natural energy source and supports thermogenesis and **fat metabolism**.* Our full-spectrum process extracts precious plant compounds to preserve Nature's full complexity, delivering super-pure, super-potent herbal extracts.

Full-Spectrum Extraction: Our Difference

Many companies isolate elements from an herb, concentrate them, and label it "whole herb." New Chapter® delivers the wisdom of **whole food**. Using only natural supercritical CO₂ or traditional techniques of extraction, our *Force* extracts guarantee the fullest spectrum of beneficial phytonutrients in their natural profile.
