

## Discover the *force* of the Whole™

*Rhodiola rosea* is an exalted herbal stress "adaptogen" that supports stamina, endurance and well-being under conditions of exertion and sleep disruption.\* The full spectrum of beneficial compounds found in Rhodiola Force™ 100 is delivered using a whole-food approach to herbal supplementation. Rhodiola modulates physiologic stress reactions by shifting the body's stress response, thereby **uplifting mood**.\* Our full-spectrum process extracts precious plant compounds to preserve Nature's full complexity, delivering super-pure, super-potent herbal extracts.

### Full-Spectrum Extraction: Our Difference

Many companies isolate elements from an herb, concentrate them, and label it "whole herb." New Chapter® delivers the wisdom of **whole food**. Using only natural supercritical CO<sub>2</sub> or traditional techniques of extraction, our Force extracts guarantee the fullest spectrum of beneficial phytonutrients in their natural profile.
