

HERBAL. HOLISTIC. HEALTH.™

Oregano helps reduce oxidative stress, is a free-radical scavenger and supports a healthy immune system.* The full spectrum of beneficial compounds found in Oregano Force™ is delivered using a supercritically extracted, whole-food approach to herbal supplementation. Used by Ancient Greeks, the Oregano leaf was lauded for its ability to support normal respiratory and digestive function.*.

Full-Spectrum Extraction: Our Difference

Many companies isolate elements from an herb, concentrate them, and label it "whole herb." New Chapter® delivers the wisdom of *whole food*. Our full-spectrum process preserves precious plant compounds, delivered in a 100% vegetarian formulation from extract to capsule.
