ATP™ is a monumental, powerful, CREATINE formula. Creatine Monohydrate may very well be one of the most researched, clinically available sports enhancement compounds on the market today. It supplies energy to the cells by way of increasing adenosine triphosphate. It also utilizes the most stable form of glutamine (magnesium glycl glutamine) for insane recovery, increased fullness, and energy. ATP™ is the ultimate pre-intra-post formula on the market today. Its volumizing capacity continues to expand and dilate your veins for an impressive overall physique. ATP™ taste absolutely INCREDIBLE!

Please read entire label before use.

Suggested Use: Take one (1) serving (1 scoop) blended into 8oz of ice cold water, either before, during, or after workout, or as directed by a qualified healthcare practitioner. On non-training days, take one (1) serving (1 scoop) first thing in the morning, on an empty stomach, or as directed by a qualified healthcare practitioner.
