

VascuStatin Formula

VascuStatin Formula contains *Convolvulus arvensis* extract (bindweed), which contains proteoglycan mixture (PGM). The bindweed is grown in Wyoming, and the toxic alkaloids are removed by a proprietary process.

Suggested Use

As a dietary supplement, 4 capsules one to three times daily, or as directed by a healthcare practitioner. Sensitive individuals may want to start with a lower dose.

Contraindicated in conditions where vascular formations are desirable, i.e. heart disease, an active healing wound. Do not take for 2 weeks before and after a surgery, or during pregnancy or lactation. Contraindicated for infants, children and adolescents. Use only under the supervision of a healthcare practitioner.
