DRIVEN BY SCIENCE

There's more than one kind of workout—and at BodyTech, you'll find more than one kind of fuel. Each of our products is scientifically designed to nourish your body with the right protein at the right time. Explore our complete range of proteins at bodytech.com.

WHEY TECH PRO 24

Mouthwateringly delicious, Whey Tech Pro 24 is jam-packed with 24g of high quality protein in every serving. This combination of whey protein isolate and concentrate is engineered to give you the building blocks for metabolically active lean muscle tissue. You'll also enjoy a high concentration of BCAAs to fuel muscle recovery and growth, plus Aminogen®, a protein enzyme blend that may help aid in the digestion and absorption of protein.

MORE WAYS TO FUEL

DIRECTIONS: Add one (1) scoop (33g) of Whey Tech Pro 24 powder to one (1) cup (8 oz) cold water, juice or your favorite drink. Stir or shake until smooth.

Power up a smoothie with fruits, vegetables and other power foods. Ideal for post-workout muscle-building.

Get creative! Whey Tech Pro 24 makes for a high-impact addition to oatmeal, pancakes and many other baked goods.

DID YOU KNOW?

Although consuming adequate protein has been shown to lead to positive nitrogen balance and added muscle growth, when combined with a resistance training program, proper protein utilization and digestion must occur in the body for this to happen.
