natural ingredients

† This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

DIRECTIONS

For adults: Take one tablet with a meal per day. It is not recommended to exceed this dosage. **Warnings:** Keep out of reach of children. Do not take if you are pregnant or breast feeding. Do not give to children below 12 years of age. Do not use if blister pack-age (inner foil) has been opened or tampered with. Store in a cool, dry place.

New Nordic's Hair Volume™ tablets are recommended to people who

- want help to maintain healthy hair growth, strength and structure†,
- wish to supplement with essential nutrients that support healthy hair follicles, skin and nails†.

Hair Volume™ tablets are based on a Swedish apple formulation including millet and essential nutrients. The Nordic apple variety in these tablets are rich in procyanidin oligomers. Millet is a gluten-free cereal rich in the ingredient miliacin.
