WHEY PROTEIN ISOLATE

Athletes and fitness enthusiasts like you know the importance of providing their bodies with fast-digesting, low-calorie and high-quality protein to support their fitness goals. That's why there's BodyTech's great-tasting Whey Protein Isolate. It has the highest concentration of protein and BCAAs among the whey proteins, which are crucial for muscle growth, and feel impressive gains in size and strength. Scoop-to-mix and delicious, this low-carb and low-fat formula can be used after resistance training to support recovery, or anytime during the day. It's also low in lactose and easy to digest.

MORE WAYS TO FUEL

DIRECTIONS: Add one (1) scoop (30g) of Whey Protein Isolate powder to one (1) cup (8 oz) cold water, juice or your favorite drink. Stir or shake until smooth.

Power up a smoothie with fruits, vegetables and other power foods. Ideal for post-workout muscle-building.

Get creative! Whey Protein Isolate makes for a high-impact addition to oatmeal, pancakes and many other baked goods.

DID YOU KNOW?

Whey Isolate Protein contains a higher concentration of BCAAs than regular Whey Concentrate, making it ideal for use post-exercise for muscle growth and recovery.
