RACING™ powder is a high speed, thermogenic rush of metabolic enhancers. It is designed to **BOOST METABOLISM, BURN FAT, AND INCREASE ENERGY LEVELS.** Unlike many of its predecessors that have been securely planted in capsule delivery systems, **RACING™** utilizes a powdered formula. By doing so, **RACING™** is geared up for both a Faster absorption rate or a more controlled one based on the users consumption (i.e. water bottle). This system allows for extremely strong, fast, flavored **FAT LOSS.**

RACING™ is a **FAT LOSS MACHINE.** It is manufactured and designed to target fat loss and appetite suppression. It is **"FEEL IT NOW"** Weight Loss Delivery that tastes Awesome!

Please read entire label before use. **Suggested Use:** Take one (1) serving (1 scoop) daily, in the morning, blended into 6-8 ounces of cold water or beverage, or as directed by a qualified healthcare practitioner. Best if taken on an empty stomach.

Warnings: Not intended for use by persons under age 18. Do not exceed recommended dose. Do not take for more than eight (8) consecutive weeks. This product should not be taken by pregnant or lactating women. Get the consent of a licensed physician before using this product, especially if you are taking medication, have a medical condition, or thinking about becoming pregnant. **KEEP THIS PRODUCT AND ALL SUPPLEMENTS OUT OF THE REACH OF CHILDREN.**

Caffeine Warning: The recommended serving of this product contains approximately as much caffeine as three cups of coffee. Do not consume caffeine, or combine with synephrine from other sources, including but not limited to coffee, tea, soda and other dietary supplements or medications containing phenylephrine or caffeine. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally rapid heartbeat. Discontinue use if you experience dizziness, severe headache, rapid heartbeat or shortness of breath.
