

Children's Multi-Vi-Min[®]

Small capsule (size 3) for easy swallowing, suitable for children, and for adults who have problems swallowing capsules. Vitamin C was purposely left out of this formula because of its ability to enhance iron absorption.*

Suggested Use

As a dietary supplement, 1 capsule daily per ten pounds of body weight, taken with meals, or as directed by a healthcare practitioner. For children under the age of 4, please consult your healthcare practitioner before use. Keep in a cool, dry place, tightly capped.

WARNING: Accidental overdose of iron containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or a poison control center immediately.
