*These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure or prevent any disease.

► **Metabolic Vibrance** is a blend of concentrated natural foods rich in trace nutrients, polyphenols, essential minerals, carnitine, plant extracts and antioxidants recognized to help in the maintenance of normal blood glucose levels.†

► **Directions** As a dietary supplement take one scoop (enclosed) 1, 2 or 3 times a day depending on individual needs, or as directed by a healthcare professional. Mix Metabolic Vibrance into six (6) or more ounces of cool blueberry leaf tea, water or diluted juice of your choice, and drink. This product can be taken at any time of day, either with or between meals. If you are pregnant, planning to become pregnant, breast feeding, taking any prescription medications or have a medical condition, consult your physician or healthcare professional before taking this product. Do not exceed recommended dosage. Keep out of reach of children. Store in cool dry place.

► **NOTE** Control of blood sugar is highly individualized. Effective dosage can vary among persons.

WARNING: Metabolic Vibrance (METP) may improve insulin efficiency. Diabetics on insulin should consult their doctor before taking METP, and monitor blood glucose carefully when using METP. You may need to adjust personal insulin dosages to compensate for improved utilization. DO NOT exceed recommended dose per day except on the advice of your health professional.†
