

WHAT AM I?

I'm a vegan organic protein powder with over 20 different organic superfood ingredients. I don't mean to brag (well maybe a little) but I have a complete amino acid profile and a full spectrum of digestive enzymes to aid in digestion and bioavailability. Thanks to a chef, I have a delicious chocolate flavor that goes perfectly with milk or in a smoothie. My hobbies include yoga, hitting the gym and making your tastebuds happy. 😊

WHO CAN I HELP?

Busy professionals, moms and dads on the go, athletes, students, health junkies - I'm here to help! Plant-based protein supports normal bodily function, muscle recovery and growth* - which makes me a great post-workout snack. I put the smooth in smoothie when you're looking for an energy-packed morning snack without the cravings! Just blend me with some banana and plant-based milk and voila, breakfast is served!
