The Gaspari R&D team prides itself on formulating the absolute best supplements based on the most cutting edge research.

WARNING: This dietary supplement is only intended to be used by healthy men 18+ years of age. **Before using this product seek the advice of a physician. Do not use if you are taking erectile dysfunction medication. Do not take additional nitrates in the form of medication or dietary supplements along with this product.** Consult with your health care provider before using this product, especially if you are taking any prescription, over the counter medication, other dietary supplement products and/or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes or any other medication or product. Do not exceed the suggested amount (three capsules twice per day) under any circumstances as this will not increase benefits. This product should be used in conjunction with a proper diet and exercise programs. Before starting any exercise program or new diet plan, consult with your physician. Immediately discontinue use and call your physician if you experience any adverse reactions. **KEEP OUT OF REACH OF CHILDREN.†**
