Multi-Enzyme Formula

DIETARY SUPPLEMENT

Proven bioactivity with probiotic
blend

Supports protein, carbohydrate
and fat digestion*

1 capsule dosage

180  Vegetarian CAPSULES

DIGESTION

CODE 731622

KLG

Enzymes help to ease digestion and release vital nutrients. Specific digestive enzymes are necessary for the breakdown of certain types of foods. If these enzymes are lacking, nutrients from these foods may pass through the digestive system without being digested. This multi-enzyme formula may help support digestive health.*

DIRECTIONS: As a dietary supplement, take one capsule with a full glass of water before your largest meal.

Supplement Facts

Serving Size One Capsule

Amount Per Serving

Multi-Enzyme Blend	296 mg	*
