

Glucose Tolerance II™ with Glucevia™

Provides Glucevia™, a patented European Ash extract which safely supports blood sugar within normal levels.* With berberine, chromium, milk thistle, resveratrol, and biotin.

Suggested Use

As a dietary supplement, 2 capsules two times daily with food, or as directed by a healthcare professional.

Warning: Individuals with diabetes or related conditions should monitor blood glucose levels, as these ingredients may lower them. Not recommended during pregnancy. Breastfeeding women, and children should use only under the supervision of a healthcare professional. Discontinue use for 15 days before any lab test that uses (strept)avidin-biotin technology. Candidates include thyroid, cardiac, fertility, hormonal, bone metabolism, and other tests. Raised blood levels of biotin may interfere with results.

Store in a cool dry place, tightly capped.
