GNC QUALITY COMMITMENT For more than 75 years, GNC has been the leader in the development and manufacture of dietary supplements and is committed to producing the most superior products. We use only the highest quality ingredients manufactured under the strictest quality controls. Every raw material used is tested to ensure its purity and potency. Each product is dated and then shipped immediately to our stores to ensure that you are purchasing the freshest supplements available.

Preventive Nutrition® Healthy Cholesterol Formula contains a potent blend of clinically studied ingredients, additional key nutrients and a lifestyle program to help manage cholesterol levels and support heart health.* This multi-action formula supplies key nutrients that can help block the absorption of cholesterol, promote cellular health, and help support heart health.*

Cholesterol Support – Features a powerful blend of black tea extract that is clinically shown to support normal, healthy cholesterol and triglyceride levels and heart health.* Phytosterols work by blocking cholesterol absorption from foods and may reduce the risk of heart disease.*^

Antioxidant Support – Provides trimethylglycine and CoQ-10 to help protect cells from oxidative damage.* CoQ-10 is a powerful cardiovascular antioxidant and an essential component of the heart's energy producing system.*

Inflammatory Response Support – Contains *Acacia catechu* and *Scutellaria baicalensis*, powerful antioxidant herbs that support a healthy response to inflammation.*

^Foods containing at least 0.5 g per serving of phytosterols eaten with meals or snacks for a daily total intake of 2 g as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease. Preventive Nutrition® Healthy Cholesterol Formula supplies 1.2 g of phytosterols.
‡The proprietary blend of flavonoids from *Acacia catechu* and *Scutellaria baicalensis* extracts has been shown to act upon metabolic processes in the body related to supporting a healthy inflammatory response.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

GNC
