

Chondrinol® brings together the combined effectiveness of three powerful and natural ingredients functionally involved in the formation and maintenance of healthy cartilage: Cyplexinol® Pro, glucosamine and chondroitin. Cyplexinol® Pro activates key cells which grow new cartilage so glucosamine and chondroitin can work.*

SUGGESTED DOSAGE: As a joint supplement take one (1) Chondrinol® tablet, three times daily. For maximum joint results, take with Ostinol™.

WARNING: Consult a physician before using if pregnant, nursing or on medication. This product contains glucosamine which has been derived from shellfish, do not use this product if you have an allergy to shellfish. Do not use if inner seal is missing or broken.

Keep out of the reach of children.

Store in a cool, dry place.
