INGREDIENTS: Proprietary Protein Blend (Hydrolyzed Gelatin and Whey Protein Isolate), Natural and Artificial Flavor, FD&C Red #40, Sodium Benzoate, Potassium Sorbate, Sucralose. Contains Milk

TYPICAL AMINO ACID PROFILE

L-Alanine	2156 mg	L-Arginine	2000 mg
L-Aspartate	1560 mg	L-Cystine	20 mg
L-Glutamic Acid	2550 mg	Glycine	5719 mg
L-Histidine	282 mg	† L-Isoleucine (BCAA)	370 mg
†† L-Leucine (BCAA)	760 mg	†† L-Lysine	1005 mg
†† L-Methionine	400 mg	†† L-Phenylalanine	490 mg
L-Proline	3280 mg	L-Serine	905 mg
†† L-Threonine	510 mg	†† L-Tryptophan	10 mg
L-Tyrosine	390 mg	L-Valine (BCAA)	535 mg

The L-Tryptophan is Naturally Occurring. Not added or manufactured.
†† Essential Amino Acids.

BUILDING BETTER BODIES®
DYMATIZE.COM

DIRECTIONS: As a Dietary Supplement, consume 4 Tablespoons before each meal and again before and after training, or use as directed by a physician or licensed nutritionist.

Dymatize Liquid Super Amino 23,000 is a highly efficient protein source made from a proprietary blend of the highest quality protein sources. This custom blend is an excellent source of essential and non-essential amino acids including the valuable Branched Chain Amino Acids (BCAAs).

Amino Acids are the building blocks of muscles and are essential to help create and maintain positive nitrogen balance, which is important for new muscle growth. Amino acids also play a key role in preventing catabolic breakdown of muscle proteins, which help to rebuild muscle tissue after intensive exercise.

Dymatize Liquid Super Amino 23,000 was designed to be one of the strongest amino acid products available on the market. With 23,000 mg of high quality free form essential and non-essential amino acids per serving, Dymatize Super Liquid Amino 23,000 will help you reach your training goals.

Dymatize Liquid Super Amino utilizes the "Hydro-Amino" bond. This bond helps enable the aminos to be assimilated faster since they have already been hydrolyzed. This allows for rapid utilization and a quick and easy assimilation.

Dymatize Liquid Super Amino 23,000 is made from the finest quality and most effective free form, peptide bonded and free-flowing amino acid sources in the world.

Storage Instructions: Store in a cool dry place.
After opening, keep tightly closed in a refrigerator or other cool place.
