

MCHC is the only microcrystalline hydroxyapatite concentrate (MCHC) product that contains IBE™, an Immuno-Inductive Bone Enhancer powered by 2-Beta Coxatene® (2BCT), which targets inflammatory cell signaling; plus an excellent source of highly absorbable calcium, phosphorous, bone growth factors, and magnesium.

Suggested Dosage: Take three (3) tablets once daily or as directed by your healthcare practitioner.

This product is non-GMO and gluten free.

Storage: Keep tightly closed in a cool, dry place.

For maximum bone health use in conjunction with Ostinol™ and Vitamin D3/K2.

Premium Calcium Supplement
