

Ostinol™ contains Cyplexinol®, a complex of proteins naturally found in bones and joints. These proteins are functionally involved in the formation of bone and cartilage.*

SUGGESTED DOSAGE: As a supplement take one (1) to two (2) Ostinol™ capsules per day. For maximum bone results, take with Tricalcidin-3®. For maximum joint results, take with Chondrinol®.

WARNING: Consult a physician before using if pregnant, nursing or on medication. Do not use if inner seal is missing or broken. Store in a cool, dry place.

Keep out of the reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
