

Vitamin D3/K2 is the only vitamin D3 and K2 (Menaquinone-7) that contains IBE™, an Immuno-Inductive Bone Enhancer powered by 2-Beta Coxatene® (2BCT), which targets inflammatory cell signaling; plus an excellent source of vitamin D3, fortified with K2 (soy-free MK-7).

Suggested Dosage: Take one capsule once daily or as directed by your healthcare practitioner.

This product is non-GMO and gluten free.

Storage: Keep tightly closed in a cool, dry place.

For maximum bone health use in conjunction with Ostinol™ and MCHC.

Keep out of the reach of children.
