Coenzyme Q10 is essential to human life. Research indicates that supplementation with this nutrient may support normal heart function, provide antioxidant protection, and maintain the health of the gums. Additionally, BioPerine® (black pepper fruit extract) may enhance the absorption of CoQ10. An oil-based softgel is fat-soluble and may be more bioavailable than tablets or powder-filled capsules.*

Suggested Use: 1 softgel daily with a meal.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

STORE IN A COOL, DRY PLACE.

Contains no yeast, dairy, egg, gluten or wheat. Contains no sugar, salt, preservatives, or artificial color, flavor or fragrance.

BioPerine® is a registered trademark and patented product of Sabinsa Corporation.
