

Whey ProXL™ contains 24 grams of protein per serving (1 scoop) derived from Cold Temperature Processed (undenatured) Micro-Filtered Whey Protein Concentrate and Cross Flow Micro-Filtered Whey Protein Isolate. With 2 grams of fat and lactose reduced, this formula is not only an excellent source of high quality dietary protein, it also yields a balanced ratio of Whey Protein micro-fractions. **Whey ProXL™** also contains added Inulin, Aminozyme™ (a blend of 4 enzymes) and Bioperine®, a patented Black Pepper Extract.†

Whey ProXL™ is excellent for anyone leading an active lifestyle and can be enjoyed anytime of the day, especially between meals as a high protein snack and immediately following exercise. This great tasting formula is also 100% instantized for easy mixing. No blender required.†

Whey ProXL™ is manufactured by NutriMix Laboratories Inc., under strict quality control measures in their own cGMP (current Good Manufacturing Practices) and NHP (Natural Health Products) certified production facility. For over 14 years, NutriMix Laboratories Inc., continues to use the world's finest raw materials and cutting edge ingredients to deliver the absolute best quality product to you, our valued customer.†

Cautions: Pregnant, breastfeeding women, children or people with medical conditions should consult a health care practitioner before using any supplements. Do not use if security seal is broken. Store in a cool and dry place. Keep away from children.
