BLOX[™] — GROUNDBREAKING DISCOVERY!

SAA^s — the perfect protein that you've never heard of ...

What exactly are SAAs?

SAAs (Silk Amino Acids) are a remarkable and innovative Amino Acid Sequence just recently discovered by a bold team of scientists. You see, SAAs are a chain of eighteen plus particular amino acids — but, it's not so much the eighteen that researchers found to be of greatest import ... it's five — yes, five — in a precise sequence and precise ratio that matter! And, when these five SAAs are in this precise sequence and precise ratio ... it's like turning on football stadium lights in pitch black darkness!!!

The Exact Sequenced Composition And Precise Ratio for optimal pro-anabolic results!^{††}

SAAs: muscle, stamina, recovery^{††}...
