

SUGGESTED USE: 3 capsules daily with meals.

Omega-3 fatty acids, EPA & DHA, have been shown to support healthy cardiovascular function.* Omega-3 fatty acids, in particular DHA, are important for visual and neuronal development.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Derived by cold press processing, solely from health screened, fresh sardines, anchovies, salmon and herring. Harvested in strict accord with environmental guidelines. GNLD begins with fish selected exclusively for human consumption, and adds no artificial colors, flavors or preservatives.

Store in a cool, dry place, away from direct sunlight.

Packaged with safety seal.
