Boswellia

*Helps to support healthy joint function
and respiratory function**

**Directions: 1 tablet, 2 times per day with food or
as directed by your health care practitioner.**

Savesta Boswellia is the most pure and potent Boswellia extract available. Active constituents known as boswellic acids are thought responsible for many of its benefits. Typical Boswellia products only contain 40% to 65% boswellic acids. For maximum effectiveness this full spectrum extract is concentrated to 85%. Savesta Boswellia is produced from sustainably wildcrafted tree resin and laboratory tested for potency and purity.

Caution: Not for use during pregnancy. If you are nursing or taking any prescription drugs, seek the advice of a health care practitioner before using this product. Keep out of reach of children.
