Tribulus

*Increases libido**

*Improves sexual performance**

**Directions: 1 capsule, two to three times per day
or as directed by your health care practitioner.**

Savesta Tribulus is the most pure and potent Tribulus extract available. Active constituents known as saponins are thought responsible for its benefits. Typical Tribulus products only contain 40% saponins. For maximum effectiveness this full spectrum extract is concentrated to 60% and includes protodioscin.

Savesta Tribulus is produced using sustainably wildcrafted plants and pure water and alcohol.

Should not be taken by those who need to avoid testosterone increasing substances.

Caution: Not for use during pregnancy. If you are nursing or taking any prescription drugs, seek the advice of a health care practitioner before using this product. Keep out of reach of children.
