

EveryDay Detox®

What will EveryDay Detox® do for me?

EveryDay Detox® is an herbal tea used to promote healthy liver function.* **How do I know it works?** The use of herbs in EveryDay Detox® for liver protection is supported by pharmacological data and traditional use. Both licorice root and schisandra fruit have demonstrated significant liver protective action in various test models. In Traditional Chinese Medicine (TCM), chicory root is used to remove heat from the liver, stimulate bile secretion, and promote digestion. Lycium fruit (aka gou qi zi or goji berry) acts to reinforce the liver and the kidney.* **When should I use it?** Unless directed otherwise by your licensed acupuncturist or naturopathic doctor, drink 3 cups daily, at least 30 minutes before or after meals. **How does it taste?** Balanced: Schisandra fruit contains all five tastes: sweet, sour, bitter, pungent and salty. Licorice and lycium are sweet while chicory and dandelion are slightly bitter.

Traditional Medicinals, 4515 Ross Road, Sebastopol, California 95472

Certified by the California Certified Organic Farmers (CCOF)

85% organic ingredients.

Duration of use: Drink daily for up to 6 weeks. Pause up to 1 week before resuming.

Cautions: Consult a health care practitioner before taking if you have gallstones. Avoid use if you have loose stools. In rare cases, chicory and dandelion may be associated with allergic skin reactions. Discomfort due to gastric hyperacidity may occur after taking herbs that contain bitter substances like chicory and dandelion. Individuals with high gastric acidity or peptic ulcers may experience increased acidity when taking schisandra fruit.

Contraindications: Do not use if you have an allergy to Asteraceae/Compositae (the daisy family) plants, or if you have obstructed bile ducts, inflammation of the gallbladder, or painful obstruction of the bowel.

Do not use if pregnant or breastfeeding.

** Quality standards. See definitions inside.
